WORK EXPERIENCE

- Worked for Hinduja Global solutions
- Working in Adavantum Health Pt. LTD

EXPERIENCE OVERVIEW IN HGS

Project APRIA HEALTH CARE
(20/08/2018- 20/04/2020) Hyderabad

- Worked as services provider to the patients for the US citizens on DME codes. OFFICE 360 Review the patient medical history gets the authorization approval from the insurance Companies. To get services for the particular equipment. Worked on billing department as well whereas need to sort it out the particular claim for Current DOS the patient needs to clear out the due's for give date of services goal is to get paid from the insurance companies. Handled Denials for all the commercial and Medicaid plans and mainly worked for CMS-1500 form and hospital billing.
- Worked on the ACIS software where all patient information is gathered and the Medical History as well by that we can work on particular CPT CODES and the insurance information Review the account need to get follow-up with the insurance companies to get approval for the Particular DOS through the Call, Mail, Website
- We work basis on two tools PPI (payer processes information), Knowledge Tree PPI works for insurance information to know about the cpt code fee schedule Time frame to submit an authorization and claim method to reach out insurance Knowledge tree is processes guide like what Is the next step to take action on account All the processes updated are been given under this tool.

EXPERIENCE OVERVIEW IN ADVANTUM

Project Louisville Orthopaedic Clinic.
(15/06/2020- Current) Hyderabad

- Worked as AR caller on behalf of physicians get an approval for the surgery codes from the insurance companies prior the services taken from the patient, need to meet the criteria of payors as we need to close it on multiple follow-ups
- Worked on the centricity software where is defined as different types of departments For authorization and claims billing here will receive an alert from the doctor to get a Prior approval for the services from insurance companies.
- For claims we do use the availity portal to find out the patient's eligibility and Policy information. We do have clearing house called wayster to find out the submission if claim.
