July 2022 - PRESENT

I am working on a US Healthcare (RCM) project .

1. Taking Claim status on AR follow ups calls.
2. Worked on Eligibility and Benifit Verification.
3. Worked on AR EOB provided by Payment Posting Team.
4. Working in Night shift.

Ascent Business Solutions India Pvt. Ltd. - Nagpur, India

Assistant Associate

July 2021 - July 2022

I have good experience with "Ascent business Solutions" As a US Healthcare Trainee in RCM (Revenue Cycle Management) Process.

Mainly Focus on that Role is to understand the RCM Process and US Healthcare AR . It Contains lot much of different Learnings :-

- AR Follow UP calls.
- EVBV (Demografic Details, Auth check)
- Faxes the details
- Denial Management
- CMI (Collection Agency)
- Eligibility with the help of Portals
- CPNP (Tasking Adjustments)

SKILLS

Operations monitoring

New project development

Certifications

- Google Sheets
- Data Driven Decision Making
- Fundamental of Financial Planning
- Data Visualization and Dashboard with Excel
- Revenue Cycle Management Finance - Rev Cycle Ready
- Data Science for Healthcare Claim Data (Pursuing)

US Medical Insurance Settlements on behalf of Providers (Doctor's), Posting and Handling the Data of Us Healthcare Providers. Different Locations Work in US Healthcare Insurance. The Process is RCM (Revenue Cycle Management) and I am also working under the RCM Process. It helps Providers (Doctor's) to get maximum benefits from insurance Company's. In this Process I learn a lot of Valuable and Practical Knowledge of US Healthcare.
