WORK EXPERIENCES:-

- **Trainee pharmacist** – Completed 3 months training in SARA MEDICAL & SURGICAL STORE at vangani as a trainee pharmacist.
Duration :- May 2019 – July 2019.
- **Register pharmacist** – 2 Year experience in Sara Medical & Surgical Store as a registered Pharmacist.
Duration :- Aug 2019- July 2021
1 Year experience in Manas Medical Chemist & Druggist Store at vangani.
Duration :- Nov 2021- Oct 2022.

PROJECT:- ‘Keep An Eye On Your Eyes’.

- **Description** – To evaluate the knowledge of eye diseases & to create awareness of eye care among the population & to explore existing eye-related misconceptions in the community & to analyse the intensity of protection from UV rays of regularly used protecting & treating tools.
- **Work Done** – First we did an online survey & then we did a practical analysis.
 - **Online Survey** - First we gone through the literatures for reference. Then we prepared the study questionnaire & made google survey form. Shared survey form across wide population via. WhatsApp, Instagram, Facebook, Telegram. Then we got the data & did statistical analysis. Also we interpreted & reported the research.
 - **Practical Analysis** - We finalized the analytical work as per the sources. Analysed intensity of protection from UV rays of different protecting lenses (This was performed only in dark room/ place). We recorded and reported the results.
- **Responsibilities** – Because of my strong interpersonal & team management skills, I was selected as a team leader by mentor to direct a group of four peoples.
